

Name _____

Sprout Adventure Answer Key

1. spring
2. sprout
3. sprig
4. sprint
5. sprain
6. sprinkle
7. spry

Teacher's Guide

- Before reading, review each **spr** word in the word bank and discuss what type of word it is (plant word, action word, describing word).
- Read the passage aloud once, then have students follow along and fill in the blanks on a second read.
- For support, allow students to cover the word bank and listen for context clues such as actions or descriptions.
- For enrichment, have students rewrite one sentence using a different spr word and explain why their new choice changes the meaning.
- Encourage partner discussion about which spr word fits each blank and why context matters.
