Teacher's Guide

- Introduce or review the **spr** blend before students begin. Say each word aloud and have students repeat to build sound awareness.
- Encourage students to look at the beginning of each word in the word bank and notice the shared **spr** pattern.
- For emerging readers, preteach tricky vocabulary by showing simple pictures for sprout, sprig, spritz, and sprain.
- For enrichment, have students choose one **spr** word and write a short sentence to show understanding.
- To support varied learners, allow students to cover the word bank and try to spell each spr word from memory once they feel confident.
