## Stretchy Rhyme Match Answer Key

1. string → wing
2. straw → claw
3. street → meet
4. stray → play
5. strike → like

### Teacher's Guide

- Review how rhyme works before starting. Have students **say both words aloud**, listening for matching ending sounds.
- Allow students to tap out or underline the ending parts of words if they need a visual support.
- For students who need extra help, read the two lists aloud slowly, pausing between words so they can compare sounds.
- Extend the activity by asking students to create a short sentence using at least one rhyming pair, such as string and wing.
