

Name _____

Stretchy Match-Up Answer Key

1. E. string
2. C. strawberry
3. A. street
4. F. strong
5. D. strong
6. B. straw

Teacher's Guide

- Give students time to **say each word aloud**, emphasizing the beginning blend **str** to build phonemic awareness.
- Encourage students to describe each picture before matching. This adds vocabulary practice and supports early language development.
- For students who need extra support, pre-read the three words together and have them tap each sound.
- To extend the activity, invite students to brainstorm additional **str** words and illustrate one on the back of the worksheet.
