strong

On Saturday morning, Mia took a walk down her quiet (1)_____ to look for flat rocks. She crossed a tiny wooden bridge over a gentle (2)_____. In her backpack, she carried a roll of bright red (3)_____ to tie around the rocks she collected. When she found a rock with a white (4)_____ across the middle, she smiled and picked it up. Mia bent down to (5)_____ her arms before lifting the heavier rocks because she wanted to stay (6)_____. On the way home, she passed a (7)_____ neighbor who reminded her to be careful when crossing the road. Once she got inside, she enjoyed a cold (8)_____ smoothie as a reward for her trip.
