Str- Blend Story

Directions: Read the paragraph. Highlight every **str-** blend you find. Then answer the questions.

Lena went outside to explore a small street near her house. She saw a stray kitten sitting by a strong tree. A narrow stream ran along the edge of the path, and Lena used a long string to pull a leaf out of the water. She heard a friend call from up the block, so Lena began to stride toward the sound with a big smile.
