SWBST Chart Answer Key

Completed Chart:

- **Somebody** - Lena
- **Wanted** - To fly her kite higher than ever before
- **But** - The kite got stuck in a tall tree
- **So** - She asked her brother to help and they pulled it free
- **Then** - They laughed and flew the kite again, keeping it lower

Model One-Sentence Summary:

Lena wanted to fly her kite higher than ever, but it got stuck in a tree, so she and her brother worked together to free it, and then they enjoyed flying it again.

Teacher Notes

- Encourage students to *shrink big details into the essentials*.
- If students add extra details (like describing the color of the kite or exactly how it got stuck), remind them that summaries should focus on **who, what, problem, solution, and ending**.
- Extension idea: Ask students to rewrite the summary in exactly **10 words** to practice being concise.
