

Name _____

Broken Bike Recap Answer Key

Model Completed Frame:

- The story is about **Diego and his bike**.
- The main problem is **the chain broke, and he couldn't ride**.
- To solve the problem, **he asked his sister for help, and they fixed it**.
- In the end, **Diego joined his friends and rode happily again**.

Model Summary (combined):

The story is about Diego and his bike. The main problem is that the chain broke, and he couldn't ride. To solve the problem, he asked his sister for help, and they fixed it. In the end, Diego joined his friends and rode happily again.

Teacher Notes

- Sentence frames support students who struggle to organize their ideas independently.
- Emphasize that while the frame helps, students should still aim to **shrink the story to big ideas only**.
- Allow advanced students to drop the frame after practice and write their own free summary.
- Extension: Ask students to try writing the same summary again, but in **only two sentences**, combining ideas more tightly.
