Teacher's Guide

- This worksheet helps students strengthen **main idea and detail identification** as a foundation for building short summaries.
- Encourage students to underline or highlight **important details** in the passage before matching them.
- For differentiation, provide sentence frames such as The main idea is that... or A detail that shows this is....
- Support emerging readers by reading the passage aloud while they follow along with their finger.
- For extension, have students use the matched ideas and details to write a **three sentence summary** of the passage.
- Increase engagement by inviting students to share personal garden or nature observations and compare them to Lena's discoveries.
