Teacher's Guide

- Introduce each city with a short discussion or images before students begin matching.
- Encourage students to look for clue words such as **coastal**, **northern**, **university**, or **island**.

Differentiation Tips

- Provide a vocabulary list for students who need support, including words like coastal, renewable, medieval, and port.
- Challenge advanced students to write one additional fact they know or can research about each city.
- Allow emerging learners to work with partners to compare clues before choosing answers.

Engagement Ideas

- Show a map of Sweden and let students place markers for each city after completing the activity.
- Invite students to vote on the city they would most like to visit and explain their choice.
- Display photos of each city to help students connect descriptions with real places.
