### Teacher's Guide

- Introduce key words before the activity, pointing out bolded culture terms to help students connect meaning.
- Encourage students to read each sentence carefully and use context clues from surrounding words.
- Review the answers together and discuss how each word relates to Swedish traditions.

### Differentiation Tips

- Provide picture cues for students who need extra support, especially for reindeer, lingonberries, and St Lucia.
- Ask advanced students to write a complete sentence using three words from the word bank.
- Allow emerging learners to work with a partner and read sentences aloud together.

### Engagement Ideas

- Play a short video or show images of midsummer celebrations, Sami clothing, or St Lucia processions.
- Let students vote on which Swedish food or tradition they would most like to try.
- Display the word bank on the board and have students create hand gestures for each word to reinforce memory.
