### Teacher's Guide

- **Purpose:** This worksheet helps students strengthen their **vocabulary recognition** and understanding of **synonyms**, improving reading comprehension and writing variety.
- **Differentiation Tips:**
  - For **younger or struggling readers**, read the words aloud and discuss examples of each pair before matching.
  - For **advanced learners**, encourage students to come up with a new sentence for each pair to show correct context use.
- **Engagement Idea:** Ask students to find synonyms in a storybook or classroom text after the activity.
- **Extension Activities:**
  - Have students create "**Synonym Clouds**" by listing as many synonyms for one word as they can.
  - Challenge students to replace overused words (like "big" or "happy") in their writing with better-fitting synonyms.
