Teacher's Guide

- This worksheet supports early readers in Grades 1 to 2 who are learning **initial T-blends**, specifically **tr** and **tw**.
- Have students say each unfinished word out loud before writing in the missing blend to strengthen sound-letter mapping.
- Provide practice cards with the blends **tr** and **tw** for students who need visual reminders.
- For students who need more challenge, ask them to use three completed words in short sentences or sort the words into **tr** and **tw** groups.
- To add engagement, say a series of oral words and have students raise one finger for **tr** and two fingers for **tw** before writing.
