Teacher's Guide:

- **Differentiation Tips:**
 - Read questions aloud for auditory learners or those with reading challenges.
 - Provide simplified answer choices for students needing extra support.
 - Allow students to explain their reasoning verbally before choosing their final answer.
- **Engagement Strategies:**
 - After the quiz, discuss each question as a class and have students share real-life examples.
 - Encourage peer praise by letting students recognize teamwork traits they've seen in classmates.
- **Extension Ideas:**
 - Have students design their own teamwork quiz questions using new scenarios.
 - Create a "Team Traits" wall chart listing key qualities with student-drawn examples underneath.
