Teacher's Guide:

- **Differentiation Tips:**
 - Read the definitions aloud before students begin to support auditory learners.
 - Provide word cards for matching if students benefit from visual manipulation.
 - Offer simplified examples for each word to build understanding before the quiz.
- **Engagement Strategies:**
 - Turn the activity into a "Team Vocabulary Race" where small groups discuss and agree on each answer.
 - Have students act out one teamwork word to demonstrate understanding.
- **Extension Ideas:**
 - Ask students to write their own sentences using three teamwork words correctly.
 - Create a classroom "Teamwork Word Wall" with examples of these behaviors seen in group work.
