

Name _____

My Team Role

Directions: Think about times you have worked in a group, at school or outside of school. Write a paragraph explaining what role you usually take on a team and how you help the group succeed. Use complete sentences and give at least one real example.

Writing Prompt: When you are part of a team, everyone has a job to do. Some people like to lead and organize, while others help by keeping the group focused, giving ideas, or supporting others. Think about your own teamwork style.

Write your paragraph below:
