Working It Out

Directions: Read the short dialogue below that shows poor teamwork. Then rewrite it to show positive communication and cooperation. Use polite language, problem-solving, and teamwork skills in your version.

Alex: You're not doing this right! I told you to make the slides, not write a whole essay.

Jordan: Well, maybe if you explained what you wanted, I wouldn't have done it wrong.

Alex: Whatever. I'll just do it myself since no one else can do it right.

Jordan: Fine. I didn't want to work with you anyway.

Your Task: Rewrite this dialogue to show how Alex and Jordan could handle this situation in a cooperative and respectful way.
