

Name _____

Cleaning Up Toy Answer Key

They are cleaning up together, sharing tasks, and helping each other finish faster.

Teacher's Guide:

- **Differentiation Tips:**

- For emerging writers, allow verbal answers or sentence starters such as "They are helping by..."
- Use picture cards of cooperative actions (sharing, cleaning, helping) for visual support.

- **Engagement Strategies:**

- After coloring, have students act out the scene or create their own "helping scene" drawing.
- Praise examples of teamwork during class cleanup to reinforce real-life connections.

- **Extension Ideas:**

- Ask students to think of another time they worked with a friend and draw or write about it.
- Create a "Teamwork Star Chart" to celebrate moments of cooperation throughout the week.
