### Teacher's Guide:

- **Differentiation Tips:**
  - Read the passage aloud first for auditory learners.
  - Provide visual cues such as a teamwork picture to support understanding.
  - Offer simplified answer options or oral response opportunities for students who need them.
- **Engagement Strategies:**
  - After reading, have students share examples of teamwork in their own lives.
  - Create a small group "mini-poster" activity to practice cooperation directly.
- **Extension Ideas:**
  - Ask students to rewrite the story from one student's point of view, describing how teamwork changed the outcome.
  - Introduce vocabulary from the story (share, plan, cooperate, proud) and use them in new teamwork sentences.
