

## Journey Of Hope Answer Key

Student sentences should accurately identify each immigrant's path toward the American Dream:

1. Sofia seeks education and the chance to become a teacher.
2. Hiroshi works hard to start his own carpentry business.
3. Marisol studies to become a nurse while finding better opportunities.
4. Amir uses his technology skills to build a safe and stable life.

### Teacher's Guide

- **Target Skill:** Summarizing informational text and recognizing multiple perspectives on the American Dream.
- **Before Reading:** Introduce the idea that immigrants pursue many kinds of goals when they move to the United States.
- **Differentiation:**
  - Provide sentence starters for emerging writers ("Sofia tried to reach the American Dream by...").
  - Challenge advanced students to add evidence from the text in their summary sentences.
- **Engagement Tips:**
  - Have students share immigrant stories from family or community (optional and respectful).
  - Use a quick brainstorm: How would you define the American Dream today?
- **Extension Ideas:**
  - Students write their own short immigrant mini-biography (real or fictional).
  - Create a class display titled "Many Dreams, One America" featuring all summary sentences.
