## Witness To Rebellion

**Directions:** Imagine you were a colonist living in Boston on the night of the Tea Party in December 1773. Write a short paragraph (5-7 sentences) describing what you might have seen, felt, and done as the event unfolded. Use sensory details and historical facts to make your response realistic.

**Prompt:** If you were there when the colonists boarded the ships and dumped the tea, what would you have done? Would you have joined them, watched from the shore, or tried to stop them? Explain your thoughts and feelings about what was happening that night.
