Then vs. Than

Expand each sentence, adding additional information using then or than as indicated in parentheses.

1. I was late getting to work. (than)

2. Cheryl bought a new dress. (then)

Write the correct word in the blanks.

3. The weekend seemed shorter _____ usual.

4. My posture is better _____ it used to be.

5. I am going to this meeting, _____ I have work to do.

6. Sometimes things are lousy, _____ they get better.

Write two sentences to go with the picture. Use then in one sentence and use than in the other. Use each word correctly.
