

Name _____

Wordsmith Workshop

Directions: Revise the rough paragraph by replacing **weak or repeated words** with **accurate, varied synonyms**. Keep the meaning the same, but improve the writing.

The science fair project was **good**, and the student felt **good** about the work. The board looked **nice**, and the student gave a **nice** explanation of the results. When people asked **good** questions, the student gave **good** answers. By the end of the day, the student felt **good** about how the project went.

Your Task

- Rewrite the paragraph using a thesaurus.
- Replace **repeated and weak words** with **clear, precise, and varied synonyms**.
- Keep the original meaning, but improve the quality of the writing.

Your revised paragraph:
