Teacher's Guide

- Use this worksheet to help students connect **emotions** with their correct **synonyms** through context clues.
- For differentiation:
 - Read each sentence aloud for emerging readers.
 - Challenge advanced students to think of another synonym for each feeling.
- For engagement:
 - Let students act out one feeling after answering.
 - Use quick partner talks to explain their choices.
- For extension:
 - Have students write one new sentence using a feeling word and its synonym.
 - Create a class emotion wall with matching feeling words.
