Why We Need Time Zones

Directions: Answer the following questions in **3-5 complete sentences** each. Use examples from daily life, science, or history to support your answers.

1. Why do we need time zones instead of every city using its own solar time?

2. What problems might people face if time zones did not exist?

3. How do time zones help scientists, travelers, and businesses work together?

4. Imagine Earth had only one global time and no local zones. How would this affect daily life for people in different parts of the world?
