

Name _____

Daylight Saving Time Sort Answer Key

Uses Daylight Saving Time (DST):

- United States
- Germany
- Canada
- Australia (some regions only)
- Mexico
- United Kingdom

Does NOT Use Daylight Saving Time:

- Japan
- Philippines
- India
- Russia
- Brazil (ended DST in 2019)
- China
- South Korea
- Argentina

Critical Thinking (Sample Answer):

Some countries closer to the equator do not use DST because their daylight hours don't change much throughout the year. Others have chosen to stop DST due to health concerns, confusion, or lack of energy savings.
