

Link It Better Answer Key

Sample Revisions (other answers possible as long as transitions make sense):

Paragraph 1 - Technology

Phones are useful. *For example*, they let people communicate quickly. *However*, they can also be distracting. *In fact*, some people check their phones too often. *As a result*, this can lower their focus on work.

Paragraph 2 - Sports

The game started at 7 p.m. *Meanwhile*, the players warmed up. The first half was exciting, and *moreover* the score was close. *On the other hand*, the second half was even better. *Consequently*, the crowd cheered loudly.

Paragraph 3 - Healthy Living

Eating healthy food is important. *For example*, vegetables and fruits give the body energy. *Furthermore*, exercise is important too. It helps keep the heart strong. *Finally*, sleep is another healthy habit because it lets the body rest and recharge.

Teacher Notes

- This activity emphasizes **editing and rewriting**, not just filling blanks. Students improve flow by thinking like writers.
- Accept multiple answers, as long as transitions are logical and improve coherence.
- Encourage students to read their revised paragraphs aloud to hear the smoother flow.
- Extension: Give students a rough draft of their own writing and have them improve it by inserting at least **five stronger transitions**.
