Library Choices

Directions: Read the passage. Decide if each statement about the characters' **actions or motivations** is **True** or **False**.

After school, Talia rushes to the library to return a book she borrowed about sea animals. The book is due today, and she does not want to pay a late fee. Inside the quiet building, she sees her friend Marcus staring at the row of history books. Marcus is searching for information for his class report on ancient Egypt. When Talia finishes at the desk, she helps Marcus find a book with pictures of pyramids. They sit at a table and read together until the librarian announces closing time.
