Teacher's Guide

- Have students highlight **only the exact words** that prove each answer.
- Model one example on the board before students work independently.
- For support, read each statement aloud and pause to locate the matching sentence.
- For engagement, let students act as **detail detectives** and share their proof with a partner.
- For extension, challenge students to write one new true statement and one new false statement using the passage.
- For enrichment, ask students to explain how one **changed word** can turn a true statement into a false one.
