Name _____

Pond Observation

Directions: Read the passage. Decide which statements are **False**. **Rewrite** each false statement to make it correct. Write **True** if it's correct.

On Sunday morning, Ben and his cousin Riley visit the pond at Cloud Park. They bring a small bag of bird seed to feed the ducks. The ducks paddle across the water and quack loudly when the food hits the surface. A tall gray heron stands very still near the grass. After the ducks eat, Ben and Riley sit on a bench and count **seven turtles** sunning on a log.

1. Ben and Riley visit the pond on **Sunday morning**.
