Directions: Read the passage. Decide if each statement is **True**, **False**, or **Not in the Text**. Underline your answer.

On Tuesday after school, Maya helps at the community garden with her class. She wears purple gloves to pull small weeds from the soil. Her friend Eli carries a silver watering can and fills it at the rain barrel. The students plant three rows of tomato seedlings near the wooden fence. A bright yellow butterfly lands on one of the leaves, and the class grows quiet to watch it. At the end of the hour, their teacher rings a bell to signal cleanup time.
