Beaded Letter Fun

Directions: Use your tweezers to pick up small items like buttons or beads. Pick them up one at a time and line them up neatly along the letter's shape. Start at the top and move down, saying the letter's name and sound as you go. Try to stay on the outline—don't let your beads roll away!

When finished, trace the letter with your finger and say,

“A is for apple! A-a-apple!”
