## Busy Bug Catcher

**Directions:** Use your tweezers to pick up the pretend bugs. Gently place each bug inside its own jar. Say the bug's name or color as you put it in. Be careful and don't let any bugs escape!

The **red jar** is for **red ladybugs**.

The **yellow jar** is for **yellow bees**.

When all your bugs are inside, count how many you caught and say,

**"I'm the best bug catcher in town!"**
