## Ukraine Uncovered

**Directions:** Read the passage about Ukraine. Then answer the questions that follow. Keep your answers complete and clear.

### Discovering Ukraine

Ukraine is a large country in Eastern Europe, and it sits between the **Carpathian Mountains** in the west and the wide **Black Sea** along its southern edge. Its capital city is **Kyiv**, a historic city known for its tall cathedrals and busy streets. One of Ukraine's most famous landforms is the **steppe**, which is a huge area of grassland that stretches for miles. These flat, open spaces helped farmers grow wheat, making Ukraine known as the **breadbasket of Europe**.

People in Ukraine enjoy celebrating traditional music and dance, especially the lively **hopak**, which is a fast and energetic folk dance. Many families enjoy foods like **borscht**, a soup made with beets, and **varenyky**, dumplings filled with potatoes or cheese. With its mix of mountains, plains, rivers, and colorful traditions, Ukraine is a country full of natural beauty and cultural pride.

1. What is the capital city of Ukraine?
2. Name one major landform found in Ukraine.
3. Why is Ukraine sometimes called the breadbasket of Europe?
4. What is one traditional Ukrainian food mentioned in the passage?
