Teacher's Guide

- This activity helps students correct common misconceptions and remember basic facts about Ukraine's geography and culture.
- Read statements aloud for students who need support with reading fluency.
- Emphasize bolded terms such as **Black Sea**, **steppe**, **Carpathians**, and **Kyiv** to build vocabulary.

Engagement Ideas

- After checking answers, have students sort the True and False statements into two piles on the board.
- Ask students to circle key words in each statement that helped them decide the answer.
- Show a quick picture of one feature such as the steppe or the Carpathians after its statement to reinforce learning.

Extension Activities

- Invite students to change each False statement to make it True.
- Ask advanced learners to write two new True or False statements about Ukraine.
- Create a short class quiz where students test each other on Ukraine facts.
