

Ukraine Connections Answer Key

1. C
2. A
3. D
4. B

Teacher's Guide

- Use this matching activity to help students build quick factual recall of major Ukrainian places.
- Read the descriptions aloud to support students who are developing reading fluency.

Differentiation Tips

- Provide visual cue cards for students who need extra support, such as simple sketches of mountains or a city skyline.
- Allow students to highlight keywords like capital, water, mountains, and farmland before matching.
- Pair struggling students with a peer partner for shared thinking.

Engagement Ideas

- Display a map and let students locate all four features in Ukraine.
- Have students brainstorm what activities people might do in each place, such as hiking or farming.
- Let students act out clues while the class guesses the matching place.

Extension Activities

- Ask students to write a short sentence explaining why each place is important to Ukraine.
- Encourage advanced learners to add one more place in Ukraine with their own written description.
