### Teacher's Guide

- This vocabulary activity helps students strengthen their understanding of important Ukrainian geographic and cultural terms.
- Read the list of words aloud before students begin.

### Engagement Ideas

- Show a map of Ukraine and have students point to places mentioned in the worksheet.
- Create quick vocabulary gestures for words like mountains, flag, or soup to make learning active.
- Share a short fact about one of the words after students complete each blank.

### Extension Activities

- Ask students to write their own sentence using one word from the bank.
- Challenge advanced learners to add two new Ukraine-related vocabulary words with definitions.
