

Name _____

Brexit Impacts

Directions: Read each prompt carefully. Write clear, thoughtful responses using what you know about Brexit and its geographic effects on the United Kingdom.

1. In your own words, explain how Brexit changed the relationship between the **United Kingdom** and the **European Union**.
2. Describe one way Brexit affects **migration** between the UK and EU countries.
3. How might new border rules influence travel and work opportunities for young people in the UK?
4. Explain how Brexit changes **trade routes** and connections with Europe. Give one specific example.
5. Why is the location of the **English Channel** important when considering new trade arrangements?
6. Describe one challenge that Northern Ireland faces because it shares a land border with an EU member.
7. How could Brexit influence the idea of **regional identity** in places like Scotland or Northern Ireland?
8. In what ways might Brexit encourage the UK to strengthen global trade with countries outside Europe?
9. Explain how geography helps shape the political debates around Brexit.
10. Based on your understanding, describe one long-term impact Brexit could have on how people move, trade, or identify within the UK.
