aw: crawl, hawk, straw

oo: bloom, spoon

ew: chew, few

oi: soil, coin

oy: toy

ou: cloud, shout, bounce

ow: cow, owl

Teacher's Guide

- Help students review that variant vowels can make similar or different sounds. Encourage them to say each word aloud before sorting.
- Provide highlighters so students can mark vowel teams in the word list before sorting them.
- For students who need support, limit the categories to four at first, then expand to all eight once they show confidence.
- For an extension, challenge students to write their own sentences using at least one word from each vowel team category.
