1. toy
2. broom
3. glow
4. spoon
5. float
6. bloom
7. slow
8. spoil
9. crowd
10. soil

### Teacher's Guide

- Begin with a quick review of target sounds: /oi/, /ow/, /oo/, /aw/, /ou/ and how different vowel teams can make the same sound.
- Encourage students to **say each set of words aloud**. Listening closely helps them hear the vowel sound more accurately than relying on spelling alone.
- For students needing support, have them underline the vowel team in each word before deciding which one sounds different.
- For extension, ask students to create their own Odd Vowel Out row using three variant vowel words and challenge a partner to solve it.
