

Name _____

Brave Heroes Answer Key

1. brave
2. flag
3. thank
4. parade
5. hero
6. peace

Teacher Guide

This worksheet is designed to help Grade 1 and 2 students build vocabulary and sentence structure while learning the importance of Veterans Day.

- **Engagement Tips**

- Start with a short discussion about what a veteran is. Ask students if they have family members who served in the military.
- Read the Word Bank aloud together before starting to ensure all students recognize the terms.
- Have students color a small picture of a flag or a poppy after they finish their writing.

- **Differentiation for Grade 1**

- Read the sentences aloud to the students and let them point to the correct word in the Word Bank before writing it.
- Encourage students to circle the words in the bank once they have used them to keep track of their progress.

- **Extension Ideas**

- **Letter Writing:** Have students use the completed sentences as a starting point to write a "Thank You" card to a local veterans group.
- **Vocabulary Wall:** Add the Word Bank words to the classroom word wall for the week of November 11th.
