1. play
2. seat
3. coat
4. toe
5. read
6. great
7. seal
8. leaf
9. beach
10. green

Teacher's Guide

- Review each vowel digraph pattern before students begin: **ai, ay, ee, ea, oa, ow, oe.**
- Model one example by underlining the vowel teams in each word so students see how to compare spelling patterns.
- For students who need support, read each set aloud and have them listen for matching vowel sounds before looking at spellings.
- Extension idea: Students create their own odd one out sets using three vowel digraph words, then trade with a partner to solve.
