| 4. leaf | 12. glue |
| 5. suit | 13. break |
| 6. speak | 14. sweet |
| 7. clean | 15. heel |
| 8. grain | |

Teacher's Guide

- Preview each vowel digraph sound before beginning: **ai, ay, ee, ea, oa, oe, ui, ue.**
- Encourage students to say the word aloud with different vowel teams until it sounds correct.
- For struggling learners, underline the consonant parts first so they can focus on choosing the correct vowel digraph.
- Extension idea: Have students choose three completed words and write short sentences using each one to reinforce meaning and spelling.
