

Name _____

Pattern Patch Words Answer Key

1. boat
2. train
3. sneak
4. float
5. peak
6. snow
7. chief
8. leaf

Teacher's Guide

- Review each **vowel pattern** before students begin. Say example words aloud to help them connect the sound to the spelling pattern.
- Support learners by having them read the incomplete word aloud and try substituting vowel sounds to find what makes sense.
- Challenge advanced students by giving them two or three additional partially spelled words to solve independently.
- Extend learning by asking students to choose three completed words and write sentences using each one.
