## Vowel Pattern Proofreader

**Directions:** Read the paragraph. Underline the words that have incorrect vowel patterns and rewrite each corrected word on the lines below.

Riley planned a big pikneek near the coastline with her friends. She packed sandweechs, fruit, and cold tee to drink. When they reached the breetch, they spread out a blanket and watched the boets sail by. Riley's friend said the scean looked peaceful, even though clouds started to groe in the sky.
