**Teacher's Guide**

- Review common vowel patterns such as **ee**, **ea**, **oa**, **ai**, and **ow** before the activity.

- Support students who need help by having them read the paragraph aloud and listen for sounds that do not match the expected spelling patterns.

- Challenge advanced learners by creating their own short paragraph with intentional vowel pattern spelling errors and exchanging with a partner to fix.

- Extend learning by sorting the corrected words by vowel pattern and explaining why each correct spelling fits its category.
