### Teacher's Guide

- Model the change from **short vowel** to **long vowel** by reading each base word aloud, then adding magic e and rereading.
- Provide letter tiles for students who need hands-on practice forming both versions of each word.
- Challenge advanced students to draw a picture of one magic e word and label it.
- Extend the activity by asking students to sort the words into vowel patterns a\_e, i\_e, o\_e, and u\_e.
