

Name _____

Vowel Pattern Sort Answer Key

ai: rain, paint

ay: tray, stay

ee: sweet, green

ea: beach, seat

oa: float, road

ow: snow, grow

Teacher's Guide

- Begin by reviewing each **vowel team** and its sound. Provide a quick example for each before students begin sorting.
- For students needing more support, read the word list aloud and have them repeat each word, emphasizing the vowel sounds.
- For extension, ask students to create one new sentence using a word from each vowel team group.
- To challenge advanced learners, include additional mixed vowel team words and have them add new columns as needed.
