## Long And Short Sort Answer Key

**Long Vowel:** cake, seed, home, time, cute, rope

**Short Vowel:** hop, grab, slip, bed, map, win

### Teacher's Guide

- Review what a **long vowel** and **short vowel** sound like. Say a few examples aloud before beginning.
- Support students by having them clap once for short vowels and clap twice for long vowels as they read each word.
- For students who need more challenge, add extra mixed vowel words and have them explain why each belongs in its group.
- Extend the activity by asking students to write one sentence using a long vowel word and one sentence using a short vowel word.
