Rainy Day Sail

Directions: Read the passage. Reread it and circle all the vowel teams (ai, ay, ee, ea, oa, etc.) you find.

On a rainy day, Jay and his sister Mae stayed inside to play a game.

They made a small boat from paper and set it in a tray of water.

The rain made soft waves as drops fell from the gray sky.

Their boat did not sink, so they let it float all the way to the end.

Mae said, "This is the best rainy day game!" and Jay gave a loud cheer.

Write two vowel team words you circled in the boxes below.
